Hey David

So I see the June report on your boss' amendment is in Council on Tuesday. So does this mean it will be approved? Any thoughts on it?

Should CCA be there to support?

Thanks

John

Hi John --

Thanks for the email!

Not needed, but if you'd like, it always helps! We expect the item to pass after public comment is heard.

I have to be at DWP's board and Marie can't talk on this because of her ban. So we could send Aaron if he's needed. But....
